

# VASIL IVANOV

## Profile

I am a hardworking and ambitious individual with a great passion for ReactJS and JavaScript in general. I am currently in my last year of studying Telecommunication and Information Systems at Plovdiv University. I am seeking a position in the industry in which I can put into practice my knowledge, ultimately benefiting the operations of the organization that I work for.

Check out my personal site - <https://vasivanov.github.io/my-app/>
