Profile

I am a hardworking individual with a great passion for ReactJS and JavaScript in general. I am currently in my last year of studying Telecommunication and Information Systems at Plovdiv University. I am seeking a position in the industry in which I can put into practice my knowledge, ultimately benefiting the operations of the organization that I work for.
Check out my personal site - https://vasivanov.github.io/my-app/

Experience

2014 - 2015   **LIEBHERR, Plovdiv**
Trainee Center
I was trained to work with
metal processing machines and complete tasks to create or
